HISTORIC BUILDING PRESERVATION, REHABILITATION, AND RESTORATION RESOURCES AT THE MARYLAND HISTORICAL TRUST LIBRARY

INTRODUCTION

The Maryland Historical Trust Library is the State's principal repository for information relating to Maryland's architectural, archeological, and cultural heritage. The library holds an extensive collection of books, journals and periodicals, historic structure reports, field and research reports, archeological reports, maps, architectural drawings, oral histories, slides and photographs, and vertical files.

This guide provides an overview of some of the resources available at the MHT Library related to historic building materials and preservation. This list is not exhaustive but a starting point for researchers. Contact the librarian for further assistance and information on other resources.

VISITING THE LIBRARY

The library is open to the public on Tuesdays, Wednesdays, and Thursdays by appointment only. To schedule an appointment, researchers should contact the librarian, Lara Westwood, at lara.westwood@maryland.gov or 410-697-9546. Visit our [website](#) to learn more about MHT and the library. A [Library User Guide](#) is also available for further guidance.

LIBRARY CATALOG

The online library catalog for the MHT Library can be found online [here](#). The catalog contains records of books, journals, site-specific reports, and historic maps, historic structure reports, preservation plans, and architectural drawings available to researchers.
